## ***The President's Corner by Randy Shrimplin***

*We had a great meeting this month and a bunch of things got decided upon.*

*First and foremost in my mind is that Mack and Diane have agreed to put on another Wow, So much great stuff on the upcoming schedule and the weather is getting nice!*

*Rib Fest! The date has been set for November 21<sup>st</sup> at 1:00pm. Please bring a covered dish and be there for some of the best company and best ribs south of Memphis! Get this one on your calendar now so you don't miss out!*

*My heart goes out to Janet Turner. She crashed her bike out of state earlier this month. Thank the lord for the proper gear and good friends, she is back home and back to work sustaining only minor injury.*

### ***Thursday Night socials***

*Every Thursday night we meet at a selected location at 7 pm. Ride over to a different place every Thursday evening to meet old and new HGCR friends. Please check the Thursday Night Social flyer for the current Thursday night meeting place. Please email patovadia@yahoo.com with any suggested places you may like to bring HGCR for our next Thursday Night Social plans. You may also check our website for current dates and place (hapsgulfcoastriders.com) or check out the flyer posted on Haps Cycle bulletin board.*

*We have the Hap's Open house and Ride in Bike show on October 30th, the Jolly Roger Poker Run on the 31st, as well as the Ride for Kids event in Tampa coming right up. I spoke with Kelly from RFK and the training is all set up for Thursday Night November 4th at 7:00pm just like last year at Richard's Hotel.*

*I am feeling Fall in the air and it's only a matter of time before we get reminded why we live in FL. The comfortable riding season is right around the corner and I don't know about you, but I put 10 times the miles on my bike in the fall and winter months as I do in the summer. If you're like me, it might be a good time to get that bike serviced up for the FL riding season. You sure don't want to miss any of the upcoming events because your bike is in the shop. Get it checked out now, and then go ride it!*

*I would like to start out by letting everyone know that this year more than any other years the Ride for Kids needs our attendance.*

*There has never been a question that we Haps Gulf Coast Riders are devoted to the Pediatric Brain Tumor Foundation, that is why we chose the PBTF as our club charity.*

*As you all know , the ride is in Lithia , Florida on Sunday November 7,2010,*

*Every "Coaster" knows where this place is ! but other local riders may not.*

*The Brandon Group who were brave enough to accept the challenge of putting on such an enormous event, they need a group of Volunteers .again, this is not a concern , the HGCR are always there to help! But the real need is to put actual live and breathing riders in the seats under the tent .*

*I am asking you all to invite everyone you know, and strangers you meet to be part of this wonderful cause .The Brandon Group had a Task Force Meeting that Randy Shrimplin, Greg Lough, and Bob Poneleit and Myself attended, They are being met with the same challenges and obstacles as we all were ,*

*Because we all have walked in their shoes, it would be fitting that once again*

*the "Coasters" will go the extra mile to help a fellow rider.*

*Please talk it up and please make it a "must do" Sunday November 7th,*

*Sincerely;*

*Valerie Poneleit a. k. a "Peanut Pal"*
